

Installation Instructions

Wave Glass Shelf Kit

KT-0134-618ZSN

Shelf-Made®

Tools Required (not included):

- Power Drill
- Screw Driver
- Tape Measure
- Level

Installation Materials (included):

- Wave Glass Shelf
- Mounting Brackets
- Mounting Hardware

Load Rating:

- 25 lbs when mounted onto studs

Installation:

Step 1: Select the desired location to install the wave glass shelf kit. Then locate the nearest studs in the wall.

Step 2: Place the wave glass shelf on the wall and center it between the studs. Use a level to ensure it is straight, then gently mark the wall across the top of the shelf in the center of each stud, as shown in **Figure 1**.

Step 3: Center the post brackets on each marked line where it intersects the studs, as shown in **Figure 2**.

Step 4: Fasten using the mounting screws provided, as shown in **Figure 3**.

Step 5: Place the wave glass shelf onto the post brackets, as shown in **Figure 4**.
