Decorative Shelf Brackets

Designer Series

Product Line Highlights

Stockton

Stockton represents the flavor of the American West, the simple elegance of a Rocky Mountain lodge, or a high desert hacienda grande.

Oak Park

Oak Park, the spirit of a purely American architecture, mixing Arts and Crafts beauty with an urban sophistication to create a unique, individualistic style.

Manchester

Manchester's clean lines reflect the grand iron bridges of the early Industrial age, arches which eventually gave rise to the Art Deco movement.

Concord

Concord is reminiscent of Sonoma Valley grapevines intertwined with a classic Greek motif. This classic style works well with a broad range of decors.

Baton Rouge

Reflecting the sweeping curves of the French Baroque mansions and Beaux-Arts palaces, Baton Rouge is the perfect accent to transform a wall.

Charleston

Charleston's Palladian symmetry and the Georgian influences reflect the charm of this eclectic city. The flowing movement of wind and sea demonstrate an emphasis on elegance.
