7760AS Tempo™ Dual
Screen Monitor Support

Tempo™ Monitor Supports
Dual Screen

The Tempo 7760 series dual screen monitor arms are designed to support two monitors for improved ergonomic viewing and comfort. Designed with elegant styling, smooth operation, unmatched performance and rugged reliability the Tempo™ will meet the demands of today's modern office.

7760 Dual Screen Series

Features & Benefits

Comes with clamp and grommet mount, ideal for all desk mounting configurations, minimizing SKU's

Adjustable counterbalance cylinder provides smooth 14 ½" of height adjustment with fingertip control, counterbalancing monitors with a combined weight from 6 lbs. to 28 lbs.

Double extension arms provide a maximum of 31 5/8" extension from the rear edge of the mounting surface to the VESA Plate for greater monitor adjustment on deep or corner workstations

Arms fold back to a minimum dimension of 8 3/8" to provide maximum desk utilization

Monitor mounting bracket, with Quick Connect adaptor, contains both 75mm & 100mm hole patterns to match most screen types and is compliant with VESA mounting standards

Support beam holds two (23" max width) monitors at a 25° booking angle for improved ergonomic viewing comfort

Weight gauge provided to allow for quick and easy counterbalance adjustment of the arm prior to installing the screen. Saves time and guesswork especially for multiple arm installations

VESA Plate rotates for portrait or landscape viewing with 180° side to side rotation and -90° to +45° tilt for optimal viewing adjustment
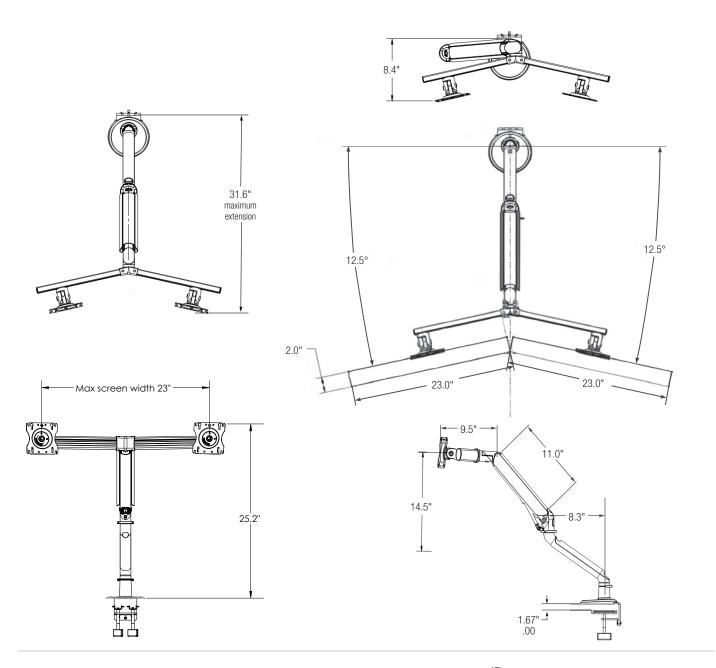

Die cast aluminum construction provides greater stability and contains high recycled material content with full recyclability

Adjustable rotation limiter to restrict arm rotation to 180°, preventing arms from hitting walls

Comes with all tools and mounting hardware for quick and easy installation (Tool-free)

Multiple color choices include Silver, Black and White to match any furniture or decor
