### 1. PRODUCT NAME

HEAVYWEIGHT™ Diamond Plate Pegboard System. For heavy-duty storage applications for industrial, commercial, retail and home use.

### 2. MANUFACTURER

Knap & Vogt® Manufacturing Company  
2700 Oak Industrial Dr. NE, Grand Rapids, MI USA 49505-6026  
616.459.3311 | [www.kv.com](http://www.kv.com)

### 3. PRODUCT DESCRIPTION

**Basic Use:** HEAVYWEIGHT™ Diamond Plate Steel Pegboard Systems are manufactured for heavy-duty storage and organization applications in industrial, commercial, retail and home use. Mounts to most wall types.

**Sizes:** 16" x 16" | 16" x 32" | 16" x 48"

**Finishes:** Black (BK), Galvanized (GALV)

### 4. TECHNICAL DATA

Applicable Standards: Pegboards are tested to meet or exceed the ANSI performance standards as established by BHMA.

These load limits are intended to be used as general guidelines only, and no warranty – expressed or implied – is made by Knap & Vogt.

Results were obtained by laboratory testing in accordance with ANSI/ BHMA A156.9-2020 performance standard. (Load ratings based on Pegboards being mounted on 16" centers. Wider spacing will result in reduced load capacity.) Actual use conditions will typically result in lower load capacity than laboratory conditions.

Representative testing in a fully configured application is the only way to assure proper performance, durability, and safety.

### Environmental Considerations:

**Environment:** Excessive humidity, salts, or other chemical agents can corrode the finish and attack metal components.

**Fastening:** Inadequate or incorrect fasteners can result in the Pegboards pulling loose and causing damage.

**Alignment:** Improper Pegboard alignment can result in a system that is ineffective and unsafe.

### 5. INSTALLATION

For maximum loading capacity, Pegboards should be mounted directly to wall studs, which are generally found on 16" intervals.

Use the recommended fasteners included in the holes closest to the pegboard corners. Prior to drilling all holes, check to be sure that the pegboard is vertically level.

### 6. AVAILABILITY AND COST

**Availability:** Knap & Vogt (KV) products are available from stocking distributors and through KV Representatives worldwide.

**Cost:** Current pricing is available from area KV® Representatives. Please call for the nearest representative at: 1.800.253.1561.

### 7. WARRANTY

**Limited Lifetime Warranty:** Knap & Vogt offers its standard Limited Lifetime Warranty to the initial purchaser of commercial products. This warranty covers defects in materials and workmanship which occur during normal use, and the remedy is limited to repair or replacement of defective products, at KV's option. Certain types of defects and damage are excluded from warranty coverage, costs and expenses are not covered, and additional restrictions apply. A copy of the Limited Lifetime Warranty, with all warranty details, limitations and disclaimers, is available on the Customer Care Connection location at [www.kv.com](http://www.kv.com) or from KV Customer Service, 2700 Oak Industrial Drive, Grand Rapids, MI 49505, 1.800.253.1561.

### 8. MAINTENANCE

HEAVYWEIGHT™ Diamond Plate Pegboard System require no maintenance. Inspect for proper fit periodically and adjust when necessary. Replace as required or recommended by application.

### 9. TECHNICAL SERVICES

Knap & Vogt and area representatives can assist with any application. For further information, or for the name of the representative nearest you, please call Knap & Vogt Customer Service: 1.800.253.1561 or visit our website at: [www.kv.com](http://www.kv.com).

### 10. FILING SYSTEMS

Additional product information, data sheets, application sheets, and a full catalog are available upon request from Knap & Vogt.
