Finishes: Satin Black (BK)

4. TECHNICAL DATA

Closet Rods are tested to meet or exceed ANSI performance standards as established by BHMA in the Knap & Vogt (KV) recommended application.

These load limits are intended to be used as general guidelines only, and no warranty – expressed or implied – is made by Knap & Vogt.

Results were obtained by laboratory testing in accordance with ANSI/ BHMA A156.9-2020 performance standard.

Representative testing in a fully configured application is the only way to assure proper performance, durability, and safety.

The aforementioned load limit is intended as a guide only and not as a warranty. Actual load bearing capabilities depend upon the type of cabinet/wall material and use of appropriate mounting fasteners, installation technique, and construction.

Environmental Considerations:

Environment: Excessive humidity, salts, or other chemical agents can corrode the finish and attack metal or plastic components.

Fastening: Inadequate or incorrect fasteners can result in the brackets, flanges and rods pulling loose and causing damage.

Alignment: Improper closet rod alignment can result in a system that is ineffective and unsafe.

5. INSTALLATION

For maximum loading capacity, brackets, flanges and closet rod should be mounted into studs or a solid frame. Mark installation locations of flanges and secure them to studs or solid frame. Install closet rod into flanges. Always install additional supports in center of application if closet rod is 5 feet, or 32" intervals into wall studs if longer than 5 feet.

6. AVAILABILITY AND COST

Availability: Knap & Vogt (KV) products are available from stocking distributors and through KV Representatives worldwide.

Cost: Current pricing is available from area KV® Representatives. Please call for the nearest representative at: 1.800.253.1561.

7. WARRANTY

Limited Lifetime Warranty: Knap & Vogt offers its standard Limited Lifetime Warranty to the initial purchaser of commercial products. This warranty covers defects in materials and workmanship which occur during normal use, and the remedy is limited to repair or replacement of defective products, at KV's option. Certain types of defects and damage are excluded from warranty coverage, costs and expenses are not covered, and additional restrictions apply. A copy of the Limited Lifetime Warranty, with all warranty details, limitations and disclaimers, is available on the Customer Care Connection location at www.kv.com or from KV Customer Service, 2700 Oak Industrial Drive, Grand Rapids, MI 49505, 1.800.253.1561.

8. MAINTENANCE

CLOSET-PRO™ closet hardware requires no maintenance. Inspect for proper fit periodically and adjust when necessary. Replace as required or recommended by application.

9. TECHNICAL SERVICES

Knap & Vogt and area representatives can assist with any application. For further information, or for the name of the representative nearest you, please call Knap & Vogt Customer Service: 1.800.253.1561 or visit our website at: www.kv.com.

10. FILING SYSTEMS

Additional product information, data sheets, application sheets, and a full catalog are available upon request from Knap & Vogt.
